GRAND MIRACLE ANNOUNCEMENT

For 17 years, New Hope Fellowship has presented the Grand Miracle during the Christmas season as our Church's free gift to our Community to celebrate the birth of Jesus.

Last year's Grand Miracle was our most successful event ever, with the highest number of visitors to our Church campus and over 200 volunteers. We appreciate the several thousand hours of time contributed by our volunteers each year and recognize that many of you are also involved in other church ministries, as well as charitable efforts outside of our church. In light of this, we have decided to give you the gift of rest this year. We are going to take a pause on the Grand Miracle in 2024 to provide all of us with a break to spend more time with family and friends during this year's Thanksgiving and Christmas holidays.

With this time of rest in 2024, we will be fully equipped to begin our planning and preparation early next year as we make our 2025 Grand Miracle the biggest and best presentation in our Church's history. We will be back in touch with you after the Holidays on how you can work with us to make that happen. Thank you again for everything you've done to support this signature New Hope tradition for almost two decades.
